

National Junior Honor Society Information Requirement Sheet

Arbor Park Middle School has a chapter of The National Junior Honor Society. This chapter consists of students that maintain a grade point average of 3.75 from the beginning of 7th grade and through 8th grade. Each student is expected to have done some service hours (service WITHOUT pay) to be inducted and then once inducted; each student will be expected to have a specific number of service hours per trimester.

It is an honor to be part of such a chapter. Students accepted into this chapter are people of exceptional quality. They have the highest GPAs in the school and also have good character. These students are held to a high standard at all times.

To be selected to be a candidate in seventh grade students must:

- Have a cumulative GPA of 3.75 or higher in seventh grade for trimester 1 and 2
- Have good character in and out of school.
- Have service hours completed by the time they apply after Trimester 2.

Students will not be accepted or chosen as a candidate for the following reasons:

- ANY in school OR out of school suspensions
- 3 or more detentions
- A GPA under 3.75

Students that are selected to NJHS are inducted during a formal ceremony in May. These students will serve as members in NJHS from the induction date through 8th grade. There are by-laws that the students must abide by to stay in NJHS. Students can be placed on probation and then dismissed for inappropriate/bad behavior or not maintain the 3.75 GPA.

Students that maintain good standing throughout the remainder of seventh grade and all of eighth grade will be decorated with The National Junior Honor Society gold chords and pin at graduation. This is an amazing accomplishment and an honor for the students to wear the NJHS chords.
