

February 2010

Dear Parent/Guardian of incoming 6th Grade students,

In July 2005, state law required all children in 6th Grade to have a dental examination. **All** 6th Grade students must present a dental exam or waiver (see back side of dental form) by May 15, 2011.

Attached is the IDPH form. Please have your dentist check the appropriate boxes, sign the form and date it. If you are unable to obtain the required dental examination, please see the reverse side of the form. Your signature is necessary.

You can return the completed form when the children return to school in August. **Please make sure that you make a copy of this physical for your records and place exam in an envelope before turning it into school.** If you have any questions please call me.

Sincerely,
Norene Nellis RN
