

Good Morning Parents! Hi this is Norene Nellis APMS school nurse. In February, physical exam forms went home with all students. Sixth grade physicals are a mandate. The completed physical exam form needs to be turned in by October 15th. Please schedule an appointment with your physician.

The Ronald McDonald Care Mobile (RMCM) can complete your child's physical or sports physical exam. They provide services regardless of the ability to pay but cannot accept students with private insurance. RMCM will be at APMS on June 18th. Please call 708/342-7704 if you are interested in scheduling an appointment.
