

Dear Friend,

Scarlet Oak Elementary is participating in The Leukemia & Lymphoma Society (LLS)'s School & Youth program to help create a world without cancer. Last year, over 475 schools across Illinois joined together and raised over \$481,000 to support the LLS mission: Cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.

With your donation, you will help thousands of children battling cancer right here in Illinois, like our Honored Hero Bailee. In 2008, Bailee was diagnosed with leukemia and endured several rounds of chemotherapy and a bone marrow transplant. Many medications and doctor visits later, Bailee is now in remission and enjoying the 5th grade. Click here to watch a special video about her brave fight:

You can help other kids just like Bailee by donating to our campaign. Please click on the link shown below to make a donation. Over 75% of all funds raised go directly to the mission of The Leukemia & Lymphoma Society. All donations are tax deductible.
