

REQUEST FOR PROPOSALS

E-RATE 2012-2013

Arbor Park School District# 145, Cook County, Illinois, invites you to submit proposals on the District E-Rate 2009 Project. The project's implementation is contingent upon the District receiving authorization from the Schools and Libraries Corporation (Federal Communications Commission) to participate in the Universal Services Fund for Schools and Libraries Year 12 (a.k.a. The Snowe-Rockerfeller Amendment to the Federal Communications Act of 1996). It is anticipated that up to 50% of the requested project costs may be reimbursed through the Universal Fund.

The District has four school buildings, a District Administrations Center, located in a wing of one of the school buildings, and a transportation/maintenance facility.

Telecommunication and Internet Services which could include multi-year contracts including voluntary extensions for:

POT lines, 13
Long Distance Telephone Service, 136 lines
Internet connections, 4

Mail responses to: Patricia A. Fournier
Director of Business Operations
17301 S. Central Avenue
Oak Forest, IL 60452

BID DUE DATE: December 7, 2011 on or before 1:00 P.M.
