

## **REQUEST FOR PROPOSALS**

### **E-RATE 2012-2013**

Arbor Park School District# 145, Cook County, Illinois, invites you to submit proposals on the District E-Rate 2009 Project. The project's implementation is contingent upon the District receiving authorization from the Schools and Libraries Corporation (Federal Communications Commission) to participate in the Universal Services Fund for Schools and Libraries Year 12 (a.k.a. The Snowe-Rockerfeller Amendment to the Federal Communications Act of 1996). It is anticipated that up to 50% of the requested project costs may be reimbursed through the Universal Fund.

The District has four school buildings, a District Administrations Center, located in a wing of one of the school buildings, and a transportation/maintenance facility.

Telecommunication and Internet Services which could include multi-year contracts including voluntary extensions for:

POT lines, 13 or more

Long Distance Telephone Service, 136 lines or more

Internet connections, 4 or more

Mail responses to: Patricia A. Fournier  
Director of Business Operations  
17301 S. Central Avenue  
Oak Forest, IL 60452

**BID DUE DATE:** December 22, 2011 on or before 1:00 P.M.
