PREAMBLE

The Board of Education of Arbor Park School District No. 145 and the Arbor Park Education Association recognize that the ultimate aim of public schools is to provide the best education possible for children and youth in the district. Attainment of these educational objectives is a joint responsibility of the Board of Education, the administrative and supervisory staff and the professional teaching personnel. Any alleged violation, misinterpretation or misapplication of this Preamble shall not be grievable nor shall any member of the bargaining unit commence any proceeding in state or federal court concerning any alleged violation, misinterpretation or misapplication of this Preamble.

I. RECOGNITION

- A. Recognition. The Board of Education of Arbor Park School District No. 145, Cook County, Illinois, hereinafter referred to as the "BOARD", recognizes the Arbor Park Education Association, an affiliate of the Illinois Education Association and the National Education Association, hereinafter referred to as the "ASSOCIATION", as the sole and exclusive negotiating agent for all full-time certified staff members, hereinafter referred to as "CERTIFIED, CERTIFIED STAFF or CERTIFIED STAFF MEMBERS", in School District 145 except the following: Superintendent, Assistant Superintendent, Principals, Assistant Principals, Registered Nurses who do not have a Professional Educators License, Casual or Non-contractual Substitute Teachers, Guidance Counselors, Teacher Aides, Coordinators of Special Education Services, Intern Psychologists, Administrative Coordinators, all non-certified personnel and certified administrative personnel having the authority to hire, transfer, assign, promote, discharge or discipline other employees, or having the responsibility to make recommendations thereon. Part-time teachers will be part of the Bargaining Unit and will be represented as such by the Association.
- B. Definitions.
1. The word "Certified" shall mean any employee who has obtained a Professional Educators License from the Illinois State Board of Education.
 2. The word "day" appearing in Article V. - Grievance Procedure shall mean any day that the District Office is open to the public for District business.
 3. The word "grievance" in Article V. – Grievance Procedure shall mean a complaint by a bargaining unit member or the Association on behalf of a consenting certified staff member that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement.
 4. The term "full-time equivalency" (also referred to as "FTE") shall mean the number of total hours scheduled for work (i.e., considering work year and work hours) divided by the maximum number of compensable hours in a full-time, full-year schedule, expressed as a decimal. For example, ".6 FTE" would describe the FTE for an employee scheduled to work a full-day for 108 days of a 180-day work year.
 5. The term "daily scheduled plan time" shall mean the block of time defined as such on the Certified Staff's daily schedule. Such plan time may be scheduled before, during, or after the student day; however, where a Certified Staff's scheduled plan time is during the student day, time before and after the student day will not be considered daily scheduled plan time.

6. The term "eligible certified staff" under Article VII. – Leaves, Section C. Family and Medical Leave under the Family and Medical Leave Act of 1993, as amended ("FMLA"), shall mean a certified staff member who has been employed with the district for at least twelve (12) months and has at least 1,250 hours of service with the district during the twelve (12) months which precede the period of the requested leave.

II. BOARD RIGHTS

The Board retains and reserves the ultimate responsibility for proper management of the School District conferred upon and vested in it by the statutes and Constitutions of the State of Illinois and the United States, including, but not limited to, the responsibility for and the right:

- A. To maintain executive management and administrative control of the School District and its properties and facilities, and the professional activities of its employees as related to the conduct of school affairs.
- B. To hire all employees, and, subject to the provisions of the law, to determine their qualifications, and the conditions for their continued employment, or their suspension, dismissal, demotion or assignment, and to promote and transfer all such employees.
- C. To establish programs and courses of instruction, including special programs, and to provide athletic, recreational and social events for students, all as deemed necessary or advisable by the BOARD.
- D. To delegate authority through recognized administrative channels for the development and organization of the means and methods of instruction, including the utilization of teaching aids of all kinds, according to current written Board policy or as the same may from time to time be amended.
- E. To determine class schedules, hours of instruction, duties and responsibilities, and classroom and non-classroom assignments of certified staff members and other employees.

The exercise of the foregoing powers, rights, authorities, duties and responsibilities by the Board, and the adoption of policies, rules, regulations and practices in furtherance thereof, shall be limited by the specific and expressed terms of this Agreement.

III. CERTIFIED STAFF RIGHTS

- A. Right to Organize. Refer to Article I.B. of this Agreement for the definition of "certified" as used in the Section. Certified staff members shall have the right to form or not to form, to join or not to join, to assist or to refrain from assisting professional employees' organizations, to participate or to refrain from participating in professional negotiations with the Board through representatives of their choice, all of the foregoing as permitted by law.
- B. Representation. In the event that a certified staff member is required to appear before the Board or the Superintendent concerning any matter which could adversely affect the continuation of that certified staff member's employment, or the salary or compensation. The certified staff member shall be given notice of the reasons for such meeting and shall be permitted to have a representative or his/her choosing present for advice and representation. If the required appearance is before the Board, the certified staff member shall be given 5 days' notice of the reasons for such meeting.

- C. Personnel File.
1. Only one (1) official School District personnel file shall be maintained for each certified staff member.
 2. A certified staff member may inspect his/her personnel file upon request. Personnel records under inspection may not be removed from the (District Office) viewing area prescribed by the Superintendent or his/her designee.
 3. A copy of any material placed in the certified staff members personnel file shall be provided to the certified staff member within (10) ten days of such placement unless such material is not subject to the certified staff members inspection pursuant to law.
 4. If a certified staff member disagrees with any information contained in the personnel file, the certified staff member may submit a written statement explaining his/her position which shall be attached to the disputed portion of the personnel record.
- D. Duty-Free Lunch. A certified staff member may leave the school building during his/her duty-free lunch period.
- E. Non-Discrimination. The Board and the Association agree not to discriminate or threaten to discriminate against professional employees in regard to hiring, promotion, assignment, salary increment, termination of contract, tenure of service, or any other term or conditions of service by reason of their sex, race, religion, creed or age.
- F. Certified Staff Safety
1. Assault (Attempted Battery)/Battery/Threats. In any case of assault (attempted battery) or battery against a certified staff member by a student or parent/guardian, the certified staff member shall submit a written report of the incident to the Principal or the Principal's designee. A certified staff member may submit a written report of a threat made by a student or parent/guardian to the Principal. The Principal, or his/her designee, shall investigate a certified staff member's written report of assault (attempted battery), battery, or threat. Following the investigation, if the Principal agrees that an assault (attempted battery) or battery has occurred, the Principal or his/her designee will report the incident to local law enforcement authorities. The Principal may report a threat to local law enforcement authorities. In any case, the certified staff member may make his/her own report of assault (attempted battery), battery, or threat to local law enforcement authorities.
 2. Safety. If a certified staff member discovers a hazardous teaching condition, he/she shall notify the building principal, in writing, of such conditions. A copy of such report will be submitted to the Superintendent and in turn to the Board of Education with written confirmation to the certified staff member. A copy of the certified staff members' written report will be provided to the Association when forwarded to the Board.
- G. Suspension Without Pay. No tenured certified staff member will be suspended without pay without just cause.
- H. Institute Days. The registration time for District institute days shall not begin earlier than 8:15 a.m.

I. Certified Staff Plan Time.

1. Early release time is reserved for professional collaboration, data recording and instructional planning. Early release days that are scheduled on the last day of a reporting term shall be reserved for certified staff to finalize grades and report cards.
2. Refer to Article I.B. of the Agreement for the definition of "daily scheduled plan time" as used in the Section. Certified staff shall have uninterrupted daily scheduled plan time. Such plan time may be scheduled before, during, or after the student day; however, where a certified staff's scheduled plan time is during the student day, time before and after the student day will not be considered daily scheduled plan time. The parties recognize and agree that in instances of IEP meetings and parent requests, full daily scheduled plan time may not be available. Administrators shall be mindful of certified staff plan time and will make every effort not to schedule meetings during that time. Interrupted daily scheduled plan time used for IEP and parent meetings will not be compensated. All other interruptions of daily scheduled plan time will be compensated at \$30.00 for a full plan time or \$15.00 for half the plan time.
3. Certified staff shall be given one day at the beginning of the year to prepare the classroom for the upcoming school year.
4. By request certified staff shall be afforded time to collaborate with paraprofessionals and co-teachers.

J. Mentoring. The Board and the Association agree that a mentoring program is critical to the success of new teachers and important to all stakeholders. The mentoring program will specify roles and responsibilities for each party involved. The Board and the Association will determine the committee members who will hold the responsibility of developing the program. CPDU's will be granted to the mentor as approved by the Illinois State Board of Education.

K. Class Size. The ideal number of students placed in any class shall be based on grade levels as follows:

<u>Grade Level</u>	<u>Ideal Enrollment Per Class</u>
Kindergarten, First and Second	23
Third, Fourth and Fifth	25
Sixth, Seventh and Eighth	28

In the event a class enrollment exceeds the ideal size by 10%, administration will meet with the affected certified staff member for the purpose of reviewing one or more options from the below list:

1. Add a section and a certified staff member at the affected grade level.
2. Add a paraprofessional to the affected class.
3. A stipend will be considered in recognition of the additional workload:
 - a. \$300 per trimester for each student above the ideal class size plus 10% for self-contained classrooms.
 - b. \$60 per trimester for each student above the ideal class size plus 10% for departmentalized classes.
4. Or, another solution mutually agreed upon by the certified staff member, administration and the Board of Education.

A meeting to review the options shall occur no later than September 15th or within five (5) school days of the date on which the enrollment first exceeds the ideal number of students by 10%, whichever is later. Selection of the option(s) shall occur within five (5) school days of the meeting. Implementation will occur as soon as practicable following selection of the option(s).

IV. ASSOCIATION RIGHTS

- A. No Reprisals. The Board and the Association agree not to impose or threaten to impose reprisals on professional employees or to discriminate or threaten to discriminate against professional employees in regard to hiring, promotion, assignment, and salary increment, termination of contract, tenure of service, or any other term or conditions of service by reason of their exercise of rights provided by this Agreement.
- B. Bulletin Boards. The Association may use the bulletin boards in the faculty lounge for a reasonable volume of written communication.
- C. Association Meetings. The Association is permitted to conduct meetings in any School District building, provided that they are in compliance with building rental policy and that prior approval as to time and place of meeting is obtained from the principal of the building where the meeting is to be held and the date cleared on the School District calendar through the Superintendent's office.
- D. Association Meetings - Institute Days. The Association is permitted to conduct meetings on institute days exclusive of designated agenda time, provided that such meeting shall occur at a mutually agreeable time and that prior written approval of the Superintendent or his/her designee is obtained.
- E. Mailboxes. The Association is permitted reasonable use of certified staff member mailboxes limited, however, to the dissemination of not more than one communication daily, the cost of which shall be at the sole expense of the Association and, provided that use does not interfere with the normal school operations.
- F. Association Leave. The Association shall be granted professional leave with pay for five (5) days per school year for the Association president or his/her designee for attendance at Association-sponsored conventions, conferences or the like, provided that the Association shall reimburse the Board for the cost of a substitute therefore. The Association president or his/her designee shall notify the Superintendent not later than five (5) days in advance of said leave of the person designated to take such leave, except in cases of emergency.
- G. Calendar. A copy of the tentative calendar shall be available for certified staff member's to review one (1) month prior to final adoption. All certified staff members shall be allowed to submit suggestions for the school calendar through the building principal. Suggestions must be submitted within ten (10) days of the date that the tentative calendar is made available to the certified staff member's.
- H. Board Meeting Agenda and Minutes. The President of the Association or his/her designee shall be provided with e-mail notice of all regular and special meetings of the Board together with a copy of the agenda or statement of purpose when provided to Board members. A copy of all open Board meeting minutes shall be provided to the President of the Association or his/her designee after approval. Placement of a notice of meetings, the agenda and the approved meeting minutes shall be e-mailed to the Association President.

- I. Opportunity to Address Bargaining Unit Members. The Association shall be allotted fifteen (15) minutes to address bargaining unit members at the opening District institute and on District 145 institute days. The Association will provide the Superintendent with at least two (2) days written notice prior to the workshop or institute day at which the Association does not wish to address bargaining unit members.
- J. Association Building Representatives. The Association will designate specific bargaining unit members as Association representatives in each school in the District. The Association will notify in writing the Superintendent and each building principal of the names of the Association building representatives for each school by September 30th of each school year.

V. ASSIGNMENTS, VACANCIES AND TRANSFERS

A. Notice of Assignment/Voluntary Transfer

1. Certified staff shall be informed of their assignments by June 1. Changes in assignments made between June 1 and the first Institute Day of the following school year shall be made only after personal consultation with the certified staff member. In the event an employee is not available for consultation, a letter sent to the certified staff member's home address and an e-mail sent to the certified staff member's District's e-mail account shall be considered sufficient consultation with the certified staff member.
2. A certified staff member may request a transfer to teach a different grade level or subject area. This request for reassignment shall be written and submitted to the Principal and the Superintendent.

B. Vacancies.

1. A vacancy shall occur upon the occasion of the resignation, retirement, or the dismissal of the person who had previously held a bargaining unit position, or when a new bargaining unit position is created, provided however, no vacancy shall occur unless the Board has determined to fill the bargaining unit position described herein.
2. Upon review of program needs and staffing assignments, the Administration will post on the District's web site those known certified staff positions, known curriculum/instructional support positions, and known extracurricular positions which are considered vacancies for the next school year prior to issuing staff assignments by June 1. Also, the Administration will send an e-mail to certified staff's District e-mail accounts notifying them of the vacancy posting. If the Association President is not a District employee, the Association President's e-mail account will be included on the e-mail sent to certified staff. All interested candidates will be required to follow the prescribed procedures as stated on the vacancy posting to be considered for the vacancy.
3. It is agreed that the Board has the right to establish new certified staff and extracurricular positions at any time. In the event that a vacancy occurs after June 1, the Administration will post the vacancy on the District's web site. Also, the Administration will send an e-mail to certified staff's District e-mail accounts notifying them of the vacancy posting. If the Association President is not a District employee, the Association President's e-mail account will be included on the e-mail sent to certified staff. All interested candidates will be required to follow the prescribed procedures as stated on the vacancy posting to be considered for the vacancy.
4. Vacancies shall be posted on the District's website for at least five (5) working days prior to filling except in case of an emergency.

C. Involuntary Transfer.

1. At the time of assignment, all persons who are involuntarily transferred to a different assignment will have a meeting with and receive a notification e-mail from the principal(s) involved.
2. If a certified staff member is notified of a change in assignment after July 1, the certified staff member may resign without penalty or prejudice.

D. Job/Position Sharing. Two certified staff members with the same professional educator's license may share an established position, subject to the Board's approval. Any approved request shall be for one (1) year only; but may be extended, if another request to this position is submitted. Any certified staff member participating in Position Sharing shall not lose accumulated tenure or seniority. Subsequent seniority will accrue at one-half (1/2) year per school year completed.

The salary for each certified staff member sharing a job/position shall be calculated by using the proportionate FTE of his/her calculated full-year salary.

E. Part-Time Employment.

As need is determined by the Board of Education, the administration will offer part-time positions. Such positions will be posted in accordance with the procedures as outlined in Article III, Paragraph E of this contract. Any full-time certified staff member may apply for any part-time position. If a full-time certified staff member becomes a part-time certified staff member, he or she will not be required to resign in order to become a part-time certified staff member. For purposes of tenure and seniority, each year of part-time employment will count as $\frac{1}{4}$, $\frac{1}{2}$, or $\frac{3}{4}$ FTE, whichever is closest to the fraction of year the certified staff member is actually employed by School District 145. Tenure will not be forfeited by any tenured certified staff member who accepts part-time employment. Notice of these part-time positions will be given to the current certified staff before it is posted for the public. Part-time positions will be awarded based on the best qualified for the position as determined by the Superintendent of Schools. Former full-time certified staff member, who become part-time certified staff member, will be given preference to fill any full-time vacancies before new certified staff member are hired. Any certified staff member currently employed by School District 145 who accept or accepted part-time employment on any terms other than those stipulated in this section will be accorded all service credit and tenure status due to them. Former full-time certified staff member, who become part-time certified staff member, are to notify the Superintendent of Schools within sixty days of the final day of student attendance of their intent to continue in the part-time position, or to return to a full-time position should one be available.

Part-time certified staff member shall receive sick leave days and personal days on a pro-rated basis, based on a full-time equivalency (FTE). Unused sick-days will continue to accumulate, as is the case with full-time certified staff member. Participation in the A.P.E.A. Sick-Bank will be determined by the A.P.E.A. Executive Board. Health, dental, and life insurance benefits are not offered to any School District 145 employees working less than five hours per work day. This same policy applies to part-time certified staff member.

VI. GRIEVANCE PROCEDURE

A. Definitions. Refer to Article I.B. of this Agreement for the definitions of "day" and "grievance" as used in this Article.

B. Statement of Basic Principles.

1. Filing a Grievance. A grievance may be filed by a certified staff member or the Association on behalf of a consenting certified staff member. However, the Association may not file a new grievance or process an existing grievance on behalf of a certified staff member who filed a grievance, which alleges the same violation, misinterpretation, or misapplication of the Agreement.
2. Representation. Any certified staff member has a right to be represented in the grievance procedure. Similarly, any administrator or supervisor so involved may also have representation. Each side will bear the cost of its representation. The certified staff member shall be present at any grievance discussion when the administration and/or the Association deem it necessary. When the presence of a certified staff member at a grievance hearing is requested by either party, illness or other incapacity of the certified staff member or other parties directly involved shall be grounds for any necessary extension of grievance procedure time limits. The certified staff member shall not be required to discuss any grievance if an Association representative has been requested and is not present.
3. No Representation. Every certified staff member covered by this Agreement shall have the right to present grievances in accordance with these procedures, with or without representation. Nothing contained in this Article or elsewhere in this Agreement shall be construed to prevent any individual employee from discussing a problem with the administration and having it adjusted without intervention or representation of Association representatives. In any instance after the Informal Step where the grievant has not requested the presence of a representative, the Association shall be given notice of any meeting between the certified staff member and the administration or the Board regarding the grievance and shall be afforded the opportunity to be present. The Association shall be notified in writing of the disposition of the grievance.
4. No Reprisals. The Board shall visit no reprisals upon a certified staff member who participates in the grievance procedures. The Association shall visit no reprisals upon a certified staff member who elects not to participate in the grievance procedure.
5. Time Limits. The failure of a certified staff member or the Association to act on any grievance within the prescribed time limits shall act as a bar to any further appeal and an administrator's failure to give decision within the time limits shall permit the grievant to proceed to the next step, unless time limits are extended by mutual agreement.
6. Participation. Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend and will be held, insofar as possible, after school hours, or during non-teaching time of personnel involved. When such hearings and conferences are required by the administration to be held during school hours, all employees whose presence is required shall be excused with pay for that purpose.
7. Interruptions/Interference. It is agreed that any investigation or other handling or processing of any grievance by the grieving certified staff member or Association representatives shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the teaching staff.
8. By-Pass of Grievance Steps. Where applicable, and upon mutual agreement by the Superintendent and the Association, the Informal Step and Step 1 of the grievance procedure may be bypassed.

C. Procedures

Informal Step. An attempt shall be made to resolve any complaint in informal oral discussion between the aggrieved certified staff member and his/her building principal or the building principal's designee at a mutually agreeable time.

Step 1. Building Principal. If the grievance cannot be resolved informally, the aggrieved certified staff member or Association shall file the grievance in writing and, at a mutually agreeable time, discuss the matter with the principal or his/her designee. This meeting shall occur within ten (10) days of the principal's receipt of the grievance. The written grievance shall state the nature of the grievance, shall cite the specific clause or section of the agreement allegedly violated, and shall state the remedy requested. The filing of the grievance at Step 1 shall not be later than fifteen (15) days from date of the occurrence of the event giving rise to the grievance. The principal or his/her designee shall have ten (10) days following the meeting in which to provide his/her written decision setting forth the disposition of the grievance to the certified staff member, Superintendent and the Association.

Step 2. Superintendent. In the event a grievance has not been satisfactorily resolved at Step 1, the aggrieved certified staff member or Association shall file, within ten (10) days of the principal's written decision or answer at Step 1, a copy of the grievance with the Superintendent. Within ten (10) days after written grievance is filed, the aggrieved, a representative of the aggrieved as desired, the principal or his/her designee and the Superintendent or his/her designee, shall meet to resolve the grievance. The Superintendent or his/her designee shall have ten (10) days following the meeting in which to provide his/her written decision setting forth the disposition of the grievance to the certified staff member and the Association.

Step 3. Board. If the grievance has not been satisfactorily resolved at Step 2, the aggrieved certified staff member or Association shall file with the Secretary to the Board of Education, within ten (10) days of the Superintendent's or his/her designee's written decision at Step 2, a written request for the Board to consider the grievance and a copy of the grievance. If the written request is received at least five (5) days before the Board's regular meeting, the Board shall arrange to meet with the Association on the grievance in closed session at the regular meeting. Otherwise, the Board shall arrange to meet with the Association on the grievance in closed session no later than the 2nd regular Board meeting following receipt of the grievance at Step 3.

The Board shall have fifteen (15) days following consideration of the grievance in which to provide its disposition of the grievance to the aggrieved certified staff member and the Association.

Step 4. Arbitration. If the grievance is not resolved satisfactorily to the Association or the grievant, there shall be available a fourth step of impartial arbitration. The Association shall submit in writing a request to enter into such arbitration within twenty (20) days after receipt of the Board's disposition of the grievance by the grievant or the Association. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within ten (10) days after said notice is given. If the two parties fail to reach agreement on an arbitrator within ten (10) days, the American Arbitration Association will be requested to provide an arbitrator in accordance with its Voluntary Labor Arbitration Rules. The decision of the arbitrator will be binding on the parties. Neither the Board nor the Association will be permitted to assert any grounds or evidence before the arbitrator, which was not previously disclosed to the other party, unless the grounds or evidence were not theretofore reasonably discoverable.

Expenses for the arbitrator's services and the expenses, which are common, to both parties (i.e., court reporter, meeting room if arbitration conducted outside the school district) to the arbitration shall be borne equally by the Board and the Association. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.

The arbitrator, in his/her award, shall not amend, modify, nullify, ignore or add to the provisions of the Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing by the Board and the Association and his/her decision must be based solely upon his/her interpretation of the meaning or application of the expressed relevant language of the Agreement and any applicable statutes.

When a grievance is submitted on or after June 1, every reasonable effort shall be made to conclude the grievance before the end of the school term. The Board, the administration, the aggrieved and the Association shall grant the reasonable requests made by the one party upon the other for any readily available and pertinent and legally non-confidential information relevant to the investigation of the grievance.

A grievance may be withdrawn at any level without establishing precedent.

- D. Remedy. In the event any member of the bargaining unit commences a proceeding in any state or federal court or administrative agency against the Board, charging the Board with a violation of any of the rights enumerated in the Professional Negotiations Agreement, such remedy shall be exclusive and the said member shall be barred from invoking any other remedy which may be provided for in this Agreement.

VII. NEGOTIATIONS PROCEDURE

- A. Commencement. All proposals for changes to be incorporated in this Agreement are to be made by the Association not later than the first Tuesday in April of the terminating year, and no further proposals may be submitted thereafter unless mutually agreed to by both parties. The Board shall have until the fourth Tuesday in April to present its proposals to the Association, and no further proposals may be submitted thereafter unless mutually agreed to by both parties. Sufficient copies of proposals for all members of both negotiating teams shall be provided by the Board of any proposal made by each side. Each party shall be responsible for maintaining its own minutes of the negotiations meetings. The Association shall notify all certified staff members in writing of the exact details offered by the Board in its final offer.
- B. Tentative Agreements. Each item tentatively agreed upon shall be initialed by a designee of each negotiation team and considered tentatively approved until the final signing and ratification of the final Agreement.
- C. Mediation. It is agreed that the parties will jointly request the Federal Mediation and Conciliation Service (FMCS) if both parties to this Agreement mutually determine that the assistance of a mediator would be helpful. Should FMCS be unavailable, the parties shall immediately commence discussions as to a replacement. In the event that the parties cannot agree upon a replacement, the Illinois Educational Labor Relations Board shall be notified.
- D. Contract Printing and Distribution. Within thirty (30) days of ratification of the revised Professional Negotiations Agreement, the Board shall have sufficient copies prepared and delivered to each certified staff member currently and thereafter employed within the School District. If ratification is reached during the regular school year, the copies will be prepared for distribution through the Superintendent's office as soon as practicable after the new school year begins.

VIII. LEAVES

A. Sick Leave.

1. The certified staff shall be entitled to a total of fifteen (15) sick leave days with full pay per school term. Such sick leave shall accumulate to make a total of three hundred forty (340) days. Sick leave shall be interpreted to mean personal illness, quarantine at home, or serious illness or death in the immediate family or household (i.e., spouse, brothers, sisters, step-sibling, children, step-children, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, parents, stepparents, or individuals for whom the certified staff member is legal guardian), or birth, adoption, or placement for adoption. In addition, a certified staff member may use up to two (2) days of sick leave in a school year for the death of an extended family member, which means an aunt, uncle, niece, nephew, or first cousin. The Superintendent may grant leave for illness or death not defined herein, but in no event shall such a grant be determined to be a past practice or precedent.
2. When bargaining begins pursuant to a demand above there shall be no status quo as to any creditable earnings or benefit that would result in an employer contribution by the Board to TRS. The intent of the parties is an explicit waiver of status quo in this matter to the extent necessary to avoid an employer contribution to TRS. If either party makes a demand to bargain as provided in this subsection, a certified staff member who has submitted an irrevocable written letter of resignation and retirement as stated in Section J.2. may rescind such letter.

It is understood by the Board of Education and the APEA that the Board has the option of dropping any of these programs.

Should the Board determine that an additional curriculum/instructional support coach or leader position is needed, the full stipend amount will be paid to the certified staff member assigned to that additional position. For example, two Tier II PBIS Coach positions would be a \$2,000 stipend for each staff member, or a total of \$4,000 paid by the Board.

Nothing in this Agreement prohibits the Board or certified staff members from requesting that two or more certified staff members share the responsibilities of one extracurricular position and split the stipend.

*For each subsequent school year during this Agreement, the stipend amounts will be increased by the percentage change rounded to the nearest 1/10 of 1% in the United States City Average Consumer Price Index for All Urban Consumers for the twelve-month period ending the previous December 31, but not greater than five percent (5%).
