Moving Out and Stocking Up Days

**Please read the tables below
to discover your scheduled times
for picking up materials and supplies.**

At each school, you will drive to the designated door, *remain in your car*, pop your trunk when you pull up to the supply station – staff will put your materials in your trunk. Remote learners will take home supplies and devices. On-site learners will receive supplies and devices in class on Monday, August 24th.

Please have an 8X11 sign placed on your dashboard indicating the name(s) and grades of your children in large print:

JOHN SMITH – 6th grade

JANE SMITH – 8th grade
